WW3FAF was licensed by the Federal Communications Commission for operation during the 8th annual FESTIVAL of AMERICAN FOLKLIFE July 3-14, 1974 on the Mall in Washington, D. C. This celebration of traditional American Folk Culture, sponsored by the Smithsonian Institution and the National Park Service, featured Amateur Radio as a part of the "Workers in Communications" presentation.

The amateur radio part of the activity was arranged by the FOUNDATION FOR AMATEUR RADIO, INC. and its forty member clubs in the National Capital Area.
